Thiokol safety director visits; talks about Thiokol system

On Thursday, Don Brown, director of safety at Thiokol's Utah Operations in Brigham City, will tell Center employees how Thiokol has become a nationally recognized leader in safety. He will talk about the safety system implemented following the Challenger incident, a system credited with Thiokol's safety program turnaround. The presentation is 1-2 p.m. in Room 6002, Bldg. 4203. To register, e-mail or call Dennis Davis, 4-8628.
